

ACKNOWLEDGMENTS

Departmental Sponsors: The following 151 departments contributed to the support of **CHEMICAL ENGINEERING EDUCATION** in 1984 with bulk subscriptions.

University of Akron	University of Kentucky	Queen's University
University of Alabama	Lafayette College	Rensselaer Polytechnic Institute
University of Alberta	Lamar University	University of Rhode Island
Arizona State University	Laval University	Rice University
University of Arizona	Lehigh University	University of Rochester
University of Arkansas	Loughborough University of Technology	Rose-Hulman Institute
University of Aston in Birmingham	Louisiana State University	Rutgers University
Auburn University	Louisiana Tech. University	University of South Alabama
Brigham Young University	University of Louisville	University of South Carolina
University of British Columbia	University of Maine	University of South Florida
Brown University	Manhattan College	University of Saskatchewan
Bucknell University	University of Maryland	South Dakota School of Mines
University of Calgary	University of Massachusetts	University of Southern California
California State Polytechnic	Massachusetts Institute of Technology	Stanford University
California Institute of Technology	McMaster University	Stevens Institute of Technology
University of California (Berkeley)	McNeese State University	University of Surrey
University of California (Davis)	University of Michigan	University of Sydney
University of California (Santa Barbara)	Michigan State University	Syracuse University
University of California at San Diego	Michigan Tech. University	Teesside Polytechnic Institute
Carnegie-Mellon University	University of Minnesota	Tennessee Technological University
Case-Western Reserve University	University of Missouri (Columbia)	University of Tennessee
University of Cincinnati	University of Missouri (Rolla)	Texas A&I University
Clarkson College of Technology	Monash University	Texas A&M University
Clemson University	Montana State University	University of Texas at Austin
Cleveland State University	University of Nebraska	Texas Technological University
University of Colorado	University of New Hampshire	University of Toledo
Colorado School of Mines	New Jersey Inst. of Tech.	Tri-State University
Colorado State University	New Mexico State University	Tufts University
Columbia University	University of New Mexico	Tulane University
University of Connecticut	City University of New York	University of Tulsa
Cornell University	Polytechnic Institute of New York	University of Utah
Dartmouth College	State University of N.Y. at Buffalo	Vanderbilt University
University of Dayton	North Carolina State University	Villanova University
University of Delaware	University of North Dakota	University of Virginia
University of Detroit	Northeastern University	Virginia Polytechnic Institute
Drexel University	Northwestern University	Washington State University
University of Florida	University of Notre Dame	University of Washington
Florida Institute of Technology	Nova Scotia Tech. College	Washington University
Georgia Technical Institute	Ohio State University	University of Waterloo
University of Houston	Ohio University	Wayne State University
Howard University	University of Oklahoma	West Virginia Inst. Technology
University of Idaho	Oklahoma State University	West Virginia University
University of Illinois (Chicago)	Oregon State University	University of Western Ontario
University of Illinois (Urbana)	University of Ottawa	Widener College
Illinois Institute of Technology	University of Pennsylvania	University of Windsor
Institute of Paper Chemistry	Pennsylvania State University	University of Wisconsin (Madison)
University of Iowa	University of Pittsburgh	Worcester Polytechnic Institute
Iowa State University	Princeton University	University of Wyoming
Johns Hopkins University	Purdue University	Yale University
Kansas State University	University of Queensland	Youngstown State University
University of Kansas		

TO OUR READERS: If your department is not a contributor, please ask your department chairman to write **CHEMICAL ENGINEERING EDUCATION**, c/o Chemical Engineering Department, University of Florida, Gainesville, Florida 32611.
