

Find out if the chemistry's right.

At Du Pont, the best chemistry is people chemistry.

Anything can be achieved if you have the right people and they talk to each other.

So we look at you as much as at your grades.

We look for compatibility as much as talent.

And that goes for engineers and chemists as well as business students.

If you want to find out what fields

have openings, what states you can work in and more, meet with the Du Pont recruiter when he comes to your campus.

Or if you've already graduated and have experience, write Du Pont direct, Room N-13400, Wilmington, Del. 19898.

And as you know by now, we're equally interested in women and men of any color.

The chemistry is what counts.
