

ACKNOWLEDGMENTS

The large and vigorous body of chemical engineering educators in our universities are generating a valuable literature of techniques and skills in research and teaching, much of which up to now has not had a medium of publication. The Board of Publications of the Chemical Engineering Division of ASEE has ensured the future and growth of this literature in chemical engineering

C. F. Braun and Company
The Dow Chemical Company

Monsanto Company
Olin Mathieson Chemical Corporation

education by enlisting the financial support of interested industrial and educational organizations in the publication of **CHEMICAL ENGINEERING EDUCATION**.

The **CHEMICAL ENGINEERING EDUCATION** staff and readers express their gratitude to the following companies who have contributed to the initial financial support of this journal:

The Procter and Gamble Company
Standard Oil Company of California
Standard Oil Company of Ohio
Standard Oil (Indiana) Foundation
The Stauffer Chemical Company
The Sun Oil Company
Union Oil Company of California

With grateful appreciation we list the chemical engineering departments which have sent or have indicated that they will send financial sup-
