

GEOGRAPHY THESES AND DISSERTATIONS ON FLORIDA, 1976-80

The following is a list of masters' theses and doctoral dissertations related to Florida, taken from *The Professional Geographer*, and from information supplied by geography departments in the state. The list includes works completed at Florida universities, as well as those on Florida done at other universities. Included also are titles which were omitted from the first listing (*Florida Geographer* 12-1: 20-21). There may be omissions; if readers know of any titles which should be included, please send them to the editor for inclusion in a future *Florida Geographer*. Grateful appreciation is extended to Shanon McCune, Patrick O'Sullivan, and Burke Vanderhill for their help in making the present list complete.
