Sustaining associate members help support The Society of Nematologists (SON) through their financial assistance, knowledge, expertise, and professional involvement in the science of nematology. For information about these companies or if you would like to become a sustaining associate member, contact the chairman of the SON Industry Committee or any member of the Executive Board.

Membership in the Society of Nematologists is \$50.00 U.S. for regular U.S. members, and \$25.00 for U.S. students. For airmail delivery outside the United States, add \$15.00 for countries in the Western Hemisphere or \$30.00 for all other countries. Fifteen dollars (\$15.00) of this amount is for a one-year subscription to the JOURNAL. Payment must be with a check drawn on a U.S. bank or by Visa or MasterCard. Add \$2.00 for credit card transactions. The JOURNAL, SUPPLEMENT, and Nematology Newsletter (postage paid) are included in the membership dues for regular and student members. Emeritus members may purchase the JOURNAL at student rates. Subscription rates are \$100.00 per year (US Institutional Subscriber), \$115.00 (Non-US Institutional Subscriber), and \$140.00 (Non-US Institutional Subscriber-Airmail).
