Sustaining associate members help support The Society of Nematologists (SON) through their financial assistance, knowledge, expertise, and professional involvement in the science of nematology. For information about these companies or if you would like to become a sustaining associate member, contact the chairman of the SON Industry Committee (Michel Rivera at michel.a.rivera@usa.dupont.com), a member of the Executive Board, or the SON Business Office (son@hughes.net).

Annual membership in the Society of Nematologists is \$60 US for regular members, \$30 for students, and \$500 for Sustaining Associates. For airmail delivery outside the United States, add \$15 for Canada, Mexico, Central America, and South America or \$30 for all other countries. Payment must be with a check in US currency drawn on a US bank or by Visa or MasterCard. A fee of \$3 will be added for a credit card transaction. The Journal of Nematology (postage paid) and Nematology Newsletter are included in the membership dues for regular and student members. Emeritus members may purchase the Journal at student rates and receive the newsletter free of charge. Institutional Subscription rates are \$120/yr in the United States and \$140 outside the US. This and other information can be found at the Society's website: <http://www.nematologists.org>. Volumes 1-30 of the Journal are available on CD. E-mail son@hughes.net.
