XIPHINEMA INAEQUALE NOM. NOV.
(SYN.: *X. NEOAMERICANUM* KHAN ET AHMAD, 1975)

by

S. H. KHAN and S. AHMAD

Several Authors have pointed out that *Xiphinema neoamericanum* Khan et Ahmad, 1975 is a junior homonym of *X. neoamericanum* Saxena, Chhabra et Joshi, 1973. The species is therefore renamed *X. inaequale* nom. nov.
